**Ian**: hey there -- can you chat?
**Ian**: or gchat
**me**: yeah, one second
**me**: you have the torrent already or not?
**Ian**: i don't have anyting yet i don't think. gregg gave me this link but i am not having much luck.
**Ian**: http://bitsnoop.com/fuck-fbi-friday-vi-puckett-faraj-3g-q33990115.html
**me**: you have bittorrent installed on the computer?
**me**: get that or another torrent program
**Ian**: i don't think so. i think i've tried to install it but no luck. in fact, i am going to switch to my personal computer because i think the washpost network here won't let me install
**me**: okay
**me**: then use this link
**me**: http://remote.utorrent.com/tiny/lqE5mS
**Ian**: i just got my laptop out. hold a sec
**me**: first, download bittorent, though
**Ian**: okay but which site should i download it from?
**me**: just got to bittorent.com
**me**: oops
**me**: http://www.utorrent.com/
**me**: that one
**me**: download utorrent
**Ian**: not sure it's working though
**Ian**: underneath Uploaded, it just says 0 percent
**me**: which, the torrent or utorrent?
**Ian**: okay quik question
**me**: sure
**Ian**: it's asking me to me to add a new torrent. then i select fff-v.tar.gz
**Ian**: right?
**me**: yep
**Ian**: okay
**Ian**: So, I did that. but it's still got that 0% underneath the Uploaded
**Ian**: speed 1 ETA 2.5 gB ratio downloading. availabilty 0 label (10)
**me**: do you have a gmail address?
**me**: we have them on a google doc
**me**: someone sent you a link at this e-mail, should allow you to access a google doc file with Haditha contents
